# ORANGE COUNTY JUNIOR ALL AMERICAN FOOTBALL, INC.

## ADULT CODE OF CONDUCT

(PARENT)

The objective of Orange County Junior All American Football (herein known as OCJAAF) is to inspire youth, regardless of race, color, creed, or national origin, to practice the ideals of health, citizenship, and character; to bring our youth closer together through the means of a common interest in sportsmanship, fair play, and fellowship; to impart to the game elements of safety, sanity and intelligent supervision; and to keep the welfare of the player first, foremost and entirely free of adult lust for glory. (Orange County Junior All American Football Official Rules, Article 1, Statement of Principles.)

**In order to keep the program free of adult lust for glory and other adult conduct which is detrimental to the ideals of youth sports, parents and guardians of football players and cheerleaders as well as all adults connected with or who participate in the OCJAAF Football or Cheerleader Program must adhere to the following standards of conduct as it pertains to any interaction with coaches, football players, cheerleaders, OCJAAF and the Chapters within OCJAAF Board members staff, and other parents involved in the program:**

1. Do not argue with or criticize the football players, cheerleaders, coaches, or OCJAAF officials in front of spectators by word of mouth or gesture, but reserve constructive criticism for private meetings with the person who is the object of the constructive criticism.
2. Do not argue with or criticize the game officials, the opposing Chapter, the opposing team, the opposing coaches or fans, by word of mouth or gesture.
3. Do not use abusive or profane language before any person connected with the football or cheerleading program during any football or cheerleading activities.
4. Do not physically or verbally abuse anyone in the OCJAAF program.
5. Do not incite unsportsmanlike conduct.
6. Do not seek to undermine the authority of OCJAAF, and any Chapter officials through word of mouth or deed.
7. Do accept decisions of OCJAAF staff, and any Chapter staff as being fair and made to the best of OCJAAF and the Chapters ability given their volunteer status.
8. Do set an example by your personal conduct at all times in front of all persons connected with the OCJAAF football or cheerleading program.
9. Do remember that winning at all costs is not a message we wish to impart to our youth. Instead, we want them to have fun, to play safe, and to encourage sportsmanship.
10. By not signing this Adult Code of Conduct contract you have elected not to participate with your child/children in the OCJAAF program.

**The violation of any portion of these rules relating to the Adult Code of Conduct will subject the violating individual to any one or all of the following penalties:**

### PENALTIES

1. Disqualification from OCJAAF or Chapter or taking part in any aspect of OCJAAF or Chapters Football and/or cheerleading. The disqualification can be for a game, games, season, post-season, or ineligibility for any future period of time.
2. The participating player or cheerleader who is related to the adult in violation of rule or rules contained in the Adult Code of Conduct may be suspended from the team for any number of game or games; may be placed on probation; or may be disbarred from further participation in OCJAAF or Chapter.

## Commissioner's Theme 2011...

# "KEEP HOPE ALIVE"

Kind  
Efforts  
Equal  
Pride

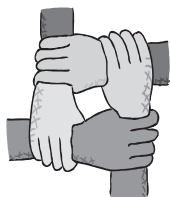

Helping  
Other  
People  
Enjoy

And  
Live  
In  
Various  
Environments

**HOPE IS THE BELIEF IN WHAT IS POSSIBLE AND THE EXPECTATION OF THINGS TO COME.** We need to instill in our youth that HOPE is what will keep them moving in a forward direction. HOPE breeds character and this character will breed HOPE. In the end this HOPE will not disappoint you but will keep you strong. Use HOPE and imagination as weapons of survival and progress. We can relate to our real life in football and cheer because of the ups and downs that come with each. In life you have family and friends that help you along the way. In football you have a bigger family, a team, a family structure, a place for yourself in the whole scheme of things, a reason to belong. **OCJAAF is here to help each child keep that inner HOPE alive and keep them always striving to be more of themselves tomorrow than what they are today.**

We as parents, coaches and administrators must lead by example and also keep our hope alive. HOPE for coaches who coach for life experiences and not for the winning. HOPE for officials that officiate the game and are more concerned about the public health and welfare of a child than the private wealth of a pay check. HOPE for league administrators that are more concerned about justice for a level playing ground than wrongfully judging others. The drive to uphold the OCJAAF rule book must be more than HOPE but never more than the game itself and always keeping in mind that without these rules we have no game just chaos and misdirection. HOPE for the high road with sound values. **What I HOPE for? --- is a season of keeping the "kids first" and without the "adult lust for glory."**

As Commissioner of the OCJAAF, I do my best to enforce the OCJAAF rules as written while keeping in mind the "spirit of the rule." Our rules are written in black and white and must be enforced that way, there is no gray area. All rules enforcement must be ratified by the Council Presidents which are the ones that establish our rules and appeals are then set forth. At this time we all HOPE that the due process is done. Don't hate the rules or those that enforce it; turn your disgust and disappointment on those that cannot do what's right to others or follow the OCJAAF RULE BOOK.

**We all HOPE for the same thing, we all work towards the same goal, we have a common interest and it's our kids.** Now picture real life.....we come from different backgrounds, different home lives, different parents, different roots, different tastes and different religious beliefs. All of this amounts to patches of cloth of different colors but if we put the patches and the pieces of cloth together and bind them together by a common thread--- which in my eyes is our kids through football and cheer---then we can and will form a great quilt of unity and common ground, a blanket to keep our children cozy and safe in the game they love.

**What matters is having HOPE in the future—HOPE that we will wak up tomorrow to a better day. HOPE is the future of our youth and our youth is our future! I have learned that HOPE is the only optio and the reason why, "Keep HOPE Alive", is our OCJAAF theme for our 2011 season.**

## MANDATORY PLAY RULES

*The following provides a brief description of the rules as they are written in the OCJAAF Rule Book. Specifically, please refer to the 2009 OFFICIAL RULES of the OCJAAF, Article VII, Pages 17-22 for the rules of weigh-in and must-play in its entirety.*

### **JUNIOR FUTURE LEAGUE, FUTURE LEAGUE, JUNIOR CLINIC and CLINIC (JFL-PL-JC-C)**

Each player shall play a minimum of one (1) quarter that includes defense, offense and special teams. These "must-play" quarters are to be pre-designated prior to each game.

### **JUNIOR PEE WEE and PEE WEE (JPW – PW)**

Each player must play one continuous quarter offense or defense, excluding special teams (kick-off, kick-off returns, punt, punt returns, extra point and field goals). These "must-play" quarters are to be pre-designated prior to each game (0=Offense, X=Defense).

### **JUNIOR MIDGET and MIDGET (JM – M)**

Following the completion of weigh-in, teams with "26 or more" qualifying players must play a minimum of six (6) "action plays." Teams with 25 or fewer qualifying players on game day must play a minimum of ten (10) action plays.

## CHAPTER GAME DAY PLAYER COMPLIANT AGENT (C.G.D.P.C.A.)

### **(Formerly Weigh-in Official and Must-Play Monitor)**

Each team must provide two (2) CGDPCA for each regularly scheduled game. Each HOME TEAM CGDPCA will pair with a VISITOR TEAM CGDPCA, one pair will monitor the HOME team and the other pair will monitor the VISITOR team. The HOME TEAM MONITOR is responsible for marking the Game Day Roster (must-play) and turn them in at the end of the game. The Visitor CGDPCA is the "spotter."

The CGDPCA's will notify each team's coaching staff at the beginning of the 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> quarters as to the status of their players.

**MUST PLAY VIOLATIONS:** The penalty for the first game with a violation is \$50 per player in violation, and minimum one (1) week suspension of the Head Coach. A second game day violation is \$50 per player in violation and the Head Coach will be suspended for the remainder of the season. **Exception:** A must-play infraction during a play-off game will result in a \$50 fine per player and forfeiture of the game in which the infraction occurred. Any and all procedures of the MUST-PLAY (Game Day Document) will result in a forfeiture of a game.

**NO USE OF CELL PHONES ON GAME FIELDS, TO INCLUDE SIDE LINES AND END ZONES, AT ANY TIME EXCEPT BY OCJAAF OFFICIALS AND CHAPTER PRESIDENTS. THIS RULE IS MEANT SPECIFICALLY FOR COACHING STAFF, CHAIN CREW, AND CGDPCA.**

# O.C.J.A.A.F. INSURANCE INFORMATION

## Conference Insurance Rep. — Essie Figueroa

All insurance information, questions, incidents, injuries must be handled by the Conference Insurance Director. This includes requests for Claim Forms and filling of all Claims. Claim Forms are available upon request only by the Insurance Director. The Chapter Insurance Rep. must keep track of any and all Incident Reports, Claims and also report all to the Conference Insurance Director.

It is very important that when a Claim Form is filed out that it is filled out completely! The Insurance Company will not accept an incomplete Claim Form and will deny the claim. (See attached of example Claim Form). Once a Claim Form is filled out it must be signed by the Conference Insurance Rep. before submitting to the Insurance Company. Once the Claim Form is filled out completely and signed by all parties it can be mailed or faxed to the Insurance Company along with copies of any bills for processing. Remember, advise parents that it may take anywhere from 1-4 weeks for the Insurance Company to determine if the claim is accepted or denied. The Insurance Company will also investigate on whether or not there is any other coverage.

Once a Claim is filed, please advise the parents that the Insurance Company will only communicate with the parents per the HIPPA Law. (Essie is not a Claims Adjuster!)

There is a \$250 Deductible on all Claims. The Insurance Company will bill the Deductible once all information, billing, payments have been reviewed. It is the responsibility of the parents to pay the Deductible.

It is very important for everyone to understand that in the event of an injury requiring medical treatment, parents are primarily responsible for all medical bills, and the deductible, not the Insurance Company, Chapter or OCJAAF.

Should you have any questions, please do not hesitate to contact your Chapter President and/or myself for any assistance that you may need.

**ANYTHING IS POSSIBLE!**

If there was ever a time to dare, to make a difference, to embark on something worth doing, IT IS NOW. Not for any grand cause necessarily...but for something that tugs at your heart, something that's your inspiration, something that's your dream. You owe it to yourself to make your days here count.

- ✓ HAVE FUN.
- ✓ DIG DEEP.
- ✓ STRETCH.
- ✓ DREAM BIG.

Know, though, that things worth doing seldom come easy. There will be good days and there will be bad days. There will be times when you want to turn around, pack it up, and call it quits. Those times tell you that you are pushing yourself, that you are not afraid to learn by trying.

- ✓ PERSIST.

Because with an idea, determination and the right tools; you can do great things. Let your instincts, your intellect, and your heart, guide you.

- ✓ TRUST.
- ✓

Believe in the incredible power of the human mind. Of doing something that makes a difference...

- ✓ OF WORKING HARD.
- ✓ OF LAUGHING AND HOPING.
- ✓ OF LAZY AFTERNOONS.
- ✓ OF LASTING FRIENDS.

Of all the things that will cross your path in the coming years; the start of something new brings the hope of something great and that...

- ✓ ANYTHING IS POSSIBLE!

# SCHOLASTIC AND SCHOLARSHIP PROGRAM 2011

OCJAAF has initiated the **scholarship program** and expanded the **scholastic program** so that our youth will be encouraged to perform well on the football field and more importantly to perform well in the classroom. By the organization investing more people, time, and money toward the student side of our student-athlete, we will be helping our young people to be better prepared as they enter high school, vocational school, college, and ultimately the workforce.

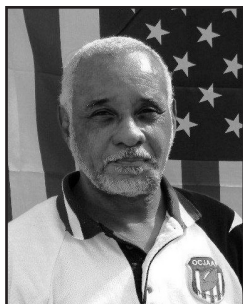

We want to encourage our players/cheerleaders to take very serious the preparation and hard work that is required to get a good education. While in our youth football program, it is important that we take the challenge to encourage our youth to keep their grades up, maintain high classroom attendance, get involved in other school activities which will make them a well rounded citizen and an asset to society.

Below is a brief summary of both programs. Additional information can be obtained from your chapter [scholastic/scholarship coordinator](#) or president.

The **scholastic recognition program**, which consists of two different awards, is for present OCJAAF participants only. The **patch awards** will be given out all during the season to players and cheerleaders being recognized for grades, grade improvement, perfect attendance, etc. We encourage patches to be presented in the presence of teammates. The **scholastic plaque awards** are for students with the highest grade point averages. There will be at least two awards per team. These awards are handed out at the end of the season, preferably during the 9th week of the season. The recipients will makeup our All-Academic team. They will be recognized at the All-Conference games.

The **scholarship program** began awarding scholarships to candidates in August, 2004. The program is for past OCJAAF participants. To be eligible for the \$1,000.00 scholarship, you must be a high school senior, participated a minimum of two full seasons as a player or cheerleader, a minimum high school grade point average of 3.0 (B), and must take the Scholastic Aptitude Test (SAT I) or American College Test (ACT). Completed application package must include application form, official transcripts, test score report from SAT or ACT, essay, and three letters of recommendation.

Scholarship applications are available for high school seniors each year in January. Everyone is encouraged to get the word out during the school year to all eligible high school seniors. Each chapter in good standing with OCJAAF can have one scholarship winner. OCJAAF has given 48 scholarships during the past 8 years. Through the generous contribution of a former OCJAAF participant, Willie Alford II, a \$1,000.00 scholarship in the name of Willie (Bill) Alford is awarded annually. To date we have awarded 4 scholarships..

OCJAAF leadership is encouraging everyone to put their support behind this noble cause. This year, we're looking forward again to each chapter having a [scholastic/scholarship coordinator](#). Hopefully this will translate into more chapters participating in all aspects of both programs.

## **PRESIDENT'S MESSAGE**

### **"KEEP HOPE ALIVE"**

Setting the example, doing the "right thing, teaching sportsmanship, fairness . . . these are some of the words and phrases that go through our minds as the adult leaders in our chapters. If we know this, and we believe in this, then too are we instilling "**KEEP HOPE ALIVE**" – *the Commissioner's theme for 2011.*

If you are a new OCJAAF parent reading this for the first time or a veteran parent . . . know that these words, these phrases and themes are important words to the leadership of OCJAAF and to your chapter. But you must also understand that we are all just "volunteers." Trying to do the best we can to uphold to these principles that make OCJAAF unique in its program and focused on providing the fundamental nurturing experiences to help build future success for our children – whether in the classroom, on the field, or just in life! If you read the words of our Commissioner as he explains his new them, know this . . .

**"OCJAAF is here to help each child keep their inner HOPE alive and keep them always striving to be more of themselves tomorrow than what they are today!"**

In 54 years, the OCJAAF has represented itself as a "leading youth organization" because of its COMPETITION, FAMILY ENVIRONMENT, DIVERSITY and STRONG LEADERSHIP! I am proud and honored to be associated with OCJAAF as your elected Council President since 1997. I am also a Chapter President (South Gate) since 1994. The OCJAAF is a FAMILY, and families come in many combinations. We celebrate the word FAMILY as meaning: Team, Chapter, Community and the OCJAAF. There is nothing stronger than the spirit of family . . . you will see it and feel it within OCJAAF!

My best wishes to each of you this coming season of youth football and cheerleading. Welcome and good luck to our newest chapter member, MANHATTAN BEACH! I also want to commend each of you and say **THANK YOU** to all Chapter and OCJAAF adult leaders and volunteers – I am honored to serve with you.

**I'll be seeing you on the playing fields!**

Respectfully,

*Lora L. Gonzalez*  
Executive Council President

## HERE IS A STORY OF A 'MUST-PLAY' OCJAAF PLAYER AND HIS LOVE OF FOOTBALL...

Practice after practice, he eagerly gave everything he had. But being half the size of the other boys, he got absolutely nowhere. At all the games, this hopeful athlete sat on the bench and hardly ever played. This teenager lived alone with his father, and the two of them had a very special relationship. Even though the son was always on the bench, his father was always in the stands cheering. He never missed a game.

This young man was still the smallest of the class when he entered high school. But his father continued to encourage him, but also made it clear that he did not have to play football if he didn't want to. But the young man loved football and decided to hang in there. He was determined to try his best at every practice, and perhaps he'd get to play when he became a senior. All through high school he never missed neither a practice nor a game but remained a bench warmer all four years. His faithful father was always in the stands, always with words of encouragement for him.

When the young man went to college, he decided to tryout for the football team as a "walk-on." Everyone was sure he could never make the cut, but he did! The coach admitted that he kept him on the roster because he always put his heart and soul into every practice and at the same time, provided the other members with the spirit and hustle they badly needed. The news that he had survived the cut thrilled him so much that he rushed to the nearest phone and called his father. His father shared his excitement and was sent season tickets for all the college games. This persistent young athlete never missed a practice during his four years at college, but he never got to play a game either.

It was the end of his senior football season, and as he trotted onto the practice field shortly before the big play-off game, the coach met him with a telegram. The young man read the telegram and he became silent. Swallowing hard, he mumbled to the coach, "My father died this morning, is it all right if I miss practice today?" The coach put his arm gently around his shoulders and said, "Take the rest of the week off son, and don't even come back to the game on Saturday."

Saturday arrived, and the game was not going well. In the third quarter, when the team was ten points behind, a silent young man quietly slipped into the empty locker room and put on his football gear. As he ran onto the sidelines, the coach and his players were astounded to see their faithful teammate back so soon. "Coach, please let me play. I just got to play today," said the young man. The coach pretended not to hear him. There was no way he wanted his worst player in this close play-off game. But the young man persisted, and finally feeling sorry for the kid, the coach gave in.

"All right," said the coach, "you can go in." Before long, the coach, the players and everyone in the stands could not believe their eyes. This little unknown, who had never played before was doing everything right. The opposing team could not stop him. He ran, he passed, blocked and tackled like a star. His team began to triumph. The score was soon tied. In the closing seconds of the game, this kid intercepted a pass and ran all the way for the winning touchdown. The fans broke loose. His teammates hoisted him onto their shoulders, such cheering you never heard.

Finally, after the stands had emptied, and the team had showered and left the locker room, the coach noticed that this young man was sitting quietly in the corner all alone. The coach came to him and said, "Kid, I can't believe it? You were fantastic! Tell me, what got into you? How did you do it?" The young man looked at his coach with tears in his eyes and said, "Well, you knew my dad died, but you did not know that my dad was blind." The coach swallowed hard and forced a smile. "Dad came to all my games, but today was the first time he could SEE me play, and I wanted to show him I could do it."

**Let's make sure we see the OCJAAF way and the kids' way. Remember it's a KID'S GAME!**

**To those going forward into the playoffs after this weekend, take one game at a time,  
Think positive. Winning is only half of it, having fun is the other half**

**The OCJAAF WAY, the KID'S WAY!**

**THANK YOU!**

*Bob Barna*

25 YEARS OF ALL CONFERENCE

I feel it is the intent of OCJAAF to blend football with real life. Our children play all season with a common goal and support from their teammates. Working week after week against opponents from different areas, yet always keeping sportsmanship first. So, as in real life, we need to blend with others at times toward a new common goal. This is the intent and this is how we achieve it – **“The All Conference Games.”**

Each participant is voted for by their teammates not coaches. So the selection process is by the kids for the kids. Votes are tallied by each Chapter President and Cheer Coordinator. Roster’s are then generated by the Division All Conference Head Coach. The Head Coach is also asked to select an All Conference Staff.

This is not an All-Star game. The physical ability of each child may or may not be part of the selection process. It’s whatever his or her teammates decide.

Again, football does reflect real life. Just watch all those kids practice as one and play as one. Getting along is what it’s all about. WATCH!! We can learn from our children. Let’s all get along and keep the adult lust for glory out of OCJAAF. Win or lose – it’s just a game.

The smell of success, with the inter-action of the kids on the field, is the perfume of OCJAAF.

All Conference is a privilege. Congratulations to all that have been selected.

**Bob Barna, OCJAAF Commissioner**

## **PLAY-OFF FORMAT**

1. All leagues will be put in order within itself.
  - A. League Championships will be determined by league play.
  - B. If there is a tie for 1st place, no matter how many teams are involved, they will share the league championship.

### **SEEDING OF PLAY-OFF GAME IF YOUR DIVISION HAS 3 LEAGUES**

1. The 3 leagues will be put in order A through C with A being best, using league play only.
2. If all 1st place teams are tied (having the same record) then we look at the 2nd place teams, etc.
3. Once A through C are determined, then A and B will be listed in order by total wins and C will be added with in A and B using total wins.
4. Seeding from league C will then start with league B first unless league B has more teams than league A.
5. If in listing the teams within league A or B or seeding from league C, there is a tie, then you must break the tie by:
  - A) Head to head results.
  - B) Total league results.
  - C) Total wins.
  - D) Sportsmanship points.
6. If a 3 way tie then repeat above after split. If 2 teams still remain tie, repeat above again.

### **SEEDING OF PLAY-OFF GAME IF YOUR DIVISION HAS 2 LEAGUES**

1. After League Championships have been determined by League Play then list each league by order of total wins for Play-off Seeding.
2. If in listing the teams by total wins there is a tie, then you must break the tie by:
  - A) Head to head results.
  - B) Total league results.
  - C) Total wins.
  - D) Sportsmanship points.
3. If a 3 way tie then repeat above after split. If 2 teams still remain tie, repeat above again.

# OCJAAF RULES FOR PLAY-OFF GAME TIES AND LEAGUE PLAY-OFF PLACEMENT THROUGH SUPER BOWL

All elimination and play off games will be a full game (4 quarters). If there is a tie at the end of regulation play, "Jr. All American Tie Breaker," will be used. To start the overtime, after the coin toss winner of the toss has the choice of offense or defense, loser has the choice of end zones. The offensive team shall put the ball in play on the defensive team's 10 yard line, anywhere between the inbound lines. The first offensive team shall have a series of four downs. That series shall be terminated by any score of the offensive team or if the defensive team takes possession of the ball. Then the defense becomes the offense for the second series of four downs. If score still remains tied, repeat overtime with original offense team playing defense.

## WEEK 9: FIRST ROUND LEAGUE PLAY-OFF

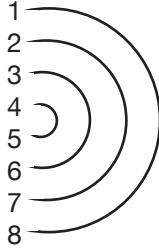

Because each LEAGUE will vary in the number of teams it has, this will affect the seeding for play-off format for week 9 of play-offs. Historically OCJAAF will range from 5 to 9 teams within a league. The following will give an example of how play-off seeds will be set depending upon the number of teams per league:

**5-TEAMS:**      1st – Bye • 2nd – Bye • 3rd – Bye • 4th vs 5th  
                           1 – Bye  
                           2 – Bye  
                           3 – Bye  
                           4 – )  
                           5 – )

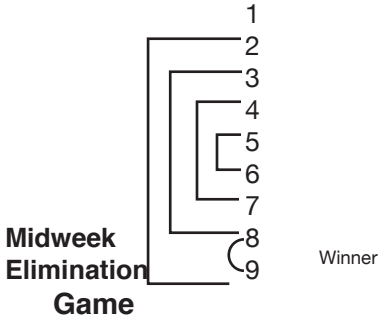

**6-TEAMS:**      1st – Bye • 2nd – Bye • 3rd vs 6th • 4th vs 5th  
                           1 – Bye  
                           2 – Bye  
                           3

Welcome to the 2011 season. As we enter our 53rd year of serving our community, we would like to wish all Chapters a successful season. We would like to welcome all new players, cheerleaders and their families to the Bruin Family and welcome back our returning players and cheerleaders.

Our coaches take pride in molding our football players and cheerleaders into productive citizens, while also building exceptional athletic skills and positive attitudes among our scholar athletes.

In 2011 we will continue to promote and encourage academic excellence, sportsmanship, discipline, responsibility and respect.

During the 2011 season remember to be a positive and inspirational person on and off the field.

Create positive memories for the kids, parents, and families in the program. Life is too short. Let's be remembered as a positive influence instead of a negative. The future depends on what we do in the present.

As President, I would like to thank our board members, coaches, parents, and all the volunteers for their dedication and long hours of hard work. We want to give a special "Thank You" to the staff at Rancho Cienega Sports Complex, Baldwin Hills Park and Council District 10.

Welcome to our 2011 season. 2010 marked the historical inaugural season for the Downey Mustangs. It was a whirlwind of a season to say the least. I believe all great organization's have "bumps" in the road. I am confident to say in 2011 we have overcome so many of those obstacles and have moved forward to be a strong and well-organized program for our community. This year we have a wonderful new Board of Directors in place along with a great support staff. We welcome a number of new coaches to our program that will without a doubt bring competitiveness and experience to our football teams. Cheer has a new face, we welcome a new Cheer director that has many attributes and will elevate our cheer program to a higher level. Together we will strive to the goal of "revolutionizing the game of youth football and the sport of cheerleading in the City of Downey".

The Mustangs encourage academic excellence, teamwork, sportsmanship, integrity and competition. We are dedicated to the instruction of Football and Cheerleading. To provide a safe and respectful environment promoting a family type atmosphere while offering all participants the opportunity to enjoy all that is best about youth sports.

Thank you to the parents that believed in this program and have come back this year. I'm honored to be your president for the 2011 season. Welcome to those families that joined the "Mustang Family." I realize as a parent you have to make the best choices possible for your children and I would like to thank you for choosing an elite program that will prepare your child for Football and Cheerleading at the High School level. I would like to acknowledge Warren High School administration, and the Warren Football Staff for helping make this organization a success. Thank you for your continued support.

Thank you in advance to all my Board Members, Coaches and Staff for their hard work and dedication to this league. You make the wheels turn! Good luck and a great season to all OCJAAF chapters, members, and players.

The Bears Junior All American Football & Cheer Family would like to welcome you to the 2011 Fall Football and Cheer Season.

The Bears Family is reminded that we are fortunate to have cheerleaders, players, and parents who are faithfully serving Anaheim, Brea, Buena Park, Fullerton, and La Habra. Together, as a family, we strive to bring about meaningful change in our communities. The bears Family’s pursuit to be a guiding, positive influence on youth sports is only amplified by your mobilization. It is the collective goal of the Bears Family to inspire our players and cheerleaders to not only become better on the field, but to become more productive citizens off it as well.

Change does not happen without sacrifice. Change does not happen without united dedication. And change – purposeful change – happens before it has to.

No longer should we merely talk to our cheerleaders and players about greatness, but instead let’s begin the process of nurturing and motivating them to be great. Let’s stop talking to our cheerleaders and players about what success means, and instead guide them to their pathways of success.

We are all patriots who serve our community. We are all members of the Bears Family. We are going to repair youth sports in North Orange County. We are because we BELIEVE.

The Irvine Chargers are celebrating our 40th anniversary. We are proud that some of our former players and cheerleaders are now coaching for us. We emphasize performance in the classroom, as well as on the field. Sportsmanship, team spirit, skill development, hard work and personal improvement are core values in our program. Beyond football, we consider ourselves a family and many of us develop lasting friendships.

The longevity and success of our program has depended on the support of many volunteers, past and present. We are extremely grateful to the many coaches, team moms, snack bar volunteers, fundraisers, weigh-in officials, game day compliance agents, equipment managers, risk management personnel and board members (to name just a few) who have devoted so much of their time and attention to our program over the years. Words are simply inadequate to thank them, but we think they are rewarded when they see our players and cheerleaders in action.

I look forward to seeing everyone on the field!

Good Luck to all teams in OCJAAF for the 2011 season.

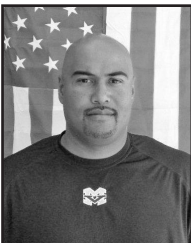

As the Mission Viejo Cowboys star shines into our 29th year, we do so knowing we would not be where we are if it were not for the wonderful parents, sponsors, and volunteers from the past and present that continue to be apart of our cowboy family! We cannot do it without you!! So to you I say . . . THANK YOU!! THANK YOU!! THANK YOU!!

Our goal is to not only teach football and cheer, but to also teach life lessons along the way. We pride ourselves on the lessons we have and will continue to teach our COWBOYS! As the M.V. Cowboys Chapter President, I am proud to be part of such a shinning tradition that always instills character building aspects into our youth such as: Respect, Pride, Honor, Discipline, Hard Work, Commitment, and most of all Team Work in becoming one family – **“Our COWBOY Family.”**

To Debi Carlino at SVUSD, Bob Johnson at MVHS, and Jean Carroll at LaPaz Intermediate School, we thank you for always keeping the COWBOYS a priority! We know without your unconditional caring about our kids having a safe place to practice and a place to play, it just would not happen.

It is my honor to be your Chapter Representative. Good Luck to all of you this season!!! To our extended OCJAAF Family – looking forward to a great season!

## 2011 EXECUTIVE BOARD

PRESIDENT .....	Alan Long
VICE PRESIDENT .....	Curtis Johnson
SECRETARY .....	Laveta Yarborough
TREASURER .....	Earl Malcolm
PLAYER AGENT .....	Derrick Davis
COACH'S REPRESENTATIVE .....	Raymond Ford

The Mona Park Pathfinders originally began under the direction of The Sheriff's Youth Athletic League in 1990 as the Los Angeles Sheriff Cardinals at Roosevelt Park in Los Angeles, California. There, the team was formed in the areas of South Central Los Angeles and Compton.

The ultimate goal of this league was to divert a substantial number of youths joining gangs and to bridge the gap between law enforcement and youth. Encouragement was greatly needed for the community youth to continue their education and improve their citizenship in the community. With the passage of Proposition 13, funding for this program was no longer available by the County Sheriff's Department. In 1995, the organization became affiliated with Enterprise Park as the Broncos and did so successfully for the next 3 years.

Concerned parents and coaches formed the non-profit Enterprise Youth Association in 1998 to assist with the funding of the football organization. Later, joining the Universal Conference in 1998 as the Mona Park Chiefs, the football league's 5 divisions received numerous championship titles and taught the players teamwork, self-discipline and the active knowledge of football rules, skills and techniques.

One of our most notable changes made was functioning under the guidance of the Compton Titans to enter into the Orange County Junior All American Football Conference in 2002. This conference allowed us to continue the growth of our program. We were blessed to be able to bring in 5 excellent teams that benefited from sportsmanship.

We look forward to the continued support of the Orange County Junior All American Football Conference as we continue our endeavors toward continued growth as the Mona Park Hurricanes.

President  
Alan Long

We the “Rowland Heights Raiders” are celebrating our 48th year of service to our youth as a football and cheer organization. The years have gone by and the players of the past years have grown up to be the adults and coaches of today. Our chapter is a great example of the parents and players giving back to the organization that has helped raise the children of our community. Family is not just another word here, it is the respect we show for each other as we mentor the children that have come to us and this program. We here at Rowland Heights are proud of that fact and include all of our 28 sister chapters as part of our extended family.

We are also that OCJAAF has a Scholastic and Scholarship Program and as in the past award our children with the fact they can excel on and off the field as a member of our All-Academic Team, with the belief in Academics Before Athletics!!! The parents here at Rowland can be sure that each coach will ask at every practice before we even start practice, “Did you do your homework today and how are you doing in school?” If it is yes, then let’s play ball . . .

As the 2010 Rowland Raider President, I am looking forward to an amazing year. I am extremely grateful to the many coaches, team moms, snack bar volunteers, fundraisers, weigh-in officials, game day compliance agents, equipment managers and board members (to name just a few) who have devoted so much of their time and attention to our program over the years. Words are simply inadequate to thank them. Needless to say without the volunteers we wouldn’t have our Rowland Raider Football and Cheer program

As the newly appointed President of the South Bay Packers I would like to thank Mr. Marvin Banks for his leadership and guidance over the past 8 years that I have been with the South Bay Packers Football and Cheer. During that time, I have had the opportunity to serve as Assistant Coach, Coaches Rep, Vice President and now President. It is with great pride and honor that I take on this new role as President. I'm looking forward to a successful year with the support of all of you that help this chapter excel.

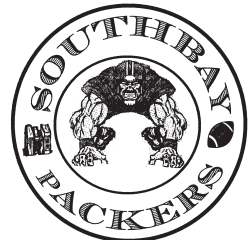

Our goal is to strengthen, teach, and guide our youth in the areas of sportsmanship, teamwork and community pride. This is accomplished by encouraging our youth to work hard, teaching them self-control and leading by example with the assistance of our coaches, parents and volunteers. We believe achievement in the classroom is just as essential as performance on the field. We encourage academic excellence and personal character growth.

As President, I would like to thank all the coaches, parents, volunteers, and youths for their continued support of the South Bay Packers, where **PAIN IS TEMPORARY, PRIDE IS FOREVER**. Without your generous support our organization would not be successful. You are to be commended for your countless hours of volunteering your time, and recruiting youth for this organization. Lastly, I would like to thank the Presidents from other chapters who have welcomed me into this organization and encouraged me to stay strong and committed to our youth.

**SOUTH GATE AZTECS . . .** It has taken us three years to get used to saying this since it was 19 years of being the South Gate "Rams." We are not new to "changes" as we have had to endure many throughout our 21 year history. The ability to accept change and to make "negatives" into "positives" is what we do best! Not that this is a bad thing, but even the best laid plans may end up being changed in some way or another. Being flexible and moving forward as a team of dedicated and hard working volunteers has been a key factor in determining our success from year to year.

Being a South Gate Aztec has caused us to evaluate our program and make changes necessary to keep us moving in a forward and positive direction. Through this evaluation we discovered the same basic principles and ideals we set forth in 1989 when we established our Program. This is what we refer to as THE AZTEC CREED (our mission statement):

EXCELLENCE shall be demonstrated in service to our youth and its community and competitive success within the OCJAAF competition. That we shall recognize our role in promoting community and school pride and uniting student-athletes, their families and members of this community through shared experiences. We shall strive to be recognized as a leader in diversity and inclusion, and will promote an environment of teamwork, leadership, and personal accountability. As individual TEAMS of SGYFC (board, football & cheer), we will . . .

- Fulfill the Mission Statement of South Gate Youth Football & Cheerleading, Inc.
- Adhere to SGYFC / OCJAAF regulations.
- Create a source of pride to all associated with SGYFC.
- Provide equitable opportunities regardless of gender, race or creed.
- Inspire cooperation, group loyalty, sportsmanship, and school/community spirit.
- Develop strong character by supporting student athlete welfare, physical and emotional well-being, social development, progress towards academic achievement, personal growth, and a commitment to community service.
- Maximize the generation of revenue to fund SGYFC programs.
- Be fiscally responsible.
- Respect and appreciate constituents who have a stake in our mission.
- Actively pursue championships.
- Represent SGYFC with the utmost integrity, pride and professionalism

Thank you to all 2011 Board Members, Head Coaches, Team Managers, and Head Cheer Coaches . . . best wishes to all OCJAAF Teams, Chapters & Leadership! Welcome Manhattan Beach!

# OCJAAF Teaching Youngsters How to be Good Sports

## *“Sports do not build character. They reveal it.”*

We’re living in an age where the preservation of traditional values can no longer be taken for granted. It seems we need to have reminders (books, movies, newspaper articles, etc.) to maintain our awareness of the importance of preserving the basic human values, which are essential to the survival of a community.

It’s no different in the world of sports. The traditional value of sportsmanship is being challenged from all sides: professional, college, high school, and even in youth sports. There are some who say sportsmanship is becoming a lost art and that unless we remind ourselves of the essentials of sportsmanship it will gradually fade as other values have done in our society.

In the midst of all this, it seems doubly important that we recommit ourselves to guiding our youth, reminding them what sportsmanship is all about; rewarding them for showing good sportsmanship and showing, by our example, that sportsmanship is still alive and valued in youth sports today.

Here’s a 10-item checklist for kids to follow as they try to develop a habit of good sportsmanship.

### Sportsmanship Checklist for Kids

- I abide by the rules of the game.
- I try to avoid arguments.
- I share in the responsibilities of the team.
- I give everyone a chance to play according to the rules.
- I always play fair.
- I follow the directions of the coach.
- I respect the other team’s effort.
- I offer encouragement to my teammates.
- I accept the judgment calls of the game officials.
- I end the game smoothly.

### Sportsmanship is the ability to:

- Win without gloating (don’t rub it in)
- Lose without complaining (don’t make excuses)
- Treat your opponent, and the officials, with respect

### Sportsmanship TIPS:

- If you make a mistake don’t pout or make excuses. Learn from it, and be ready to continue to play.
- If a teammate makes a mistake, encourage, don’t criticize.

1. **I abide by the rules of the game.** Part of good sportsmanship is knowing the rules of the game and playing by them. If a player decides to play a given sport, it is the responsibility of that player to team not only how to play but how to play according to the rules which have been established and standardized to allow competitive games to be played in an orderly fashion. The more a player knows the rules the more that player can enjoy the sport.
2. **I try to avoid arguments.** Part of good sportsmanship is anger management. Arguing with official coaches or opponents is often simply a misguided effort at “letting off steam” in the heat of competition. A good sport knows that anger can get in the way of a good performance. A good sport knows how to walk away from an argument and to stay focused on the game at hand.
3. **I share in the responsibilities of the team.** Good sportsmanship implies that the player on a team is a team player. In other words, the player understands that his or her behavior reflects on the team in general. Moreover, a team player does not condone unsportsmanlike conduct from teammates and reminds players that they all share in the responsibility of promoting good sportsmanship.

4. **I give everyone a chance to play according to the rules.** In youth recreational sports the more talented player, if they are good sports, will look out for and encourage the less talented player on the team, cooperating with coaching plans to let everybody play. Unfortunately, some coaches may become so preoccupied with winning at all costs that they never play some players, regardless of the time and effort they put in at daily practices, even when the score warrants clearing the bench.
5. **I always play fair.** Honesty and integrity should be an integral part of sports. A player with good sportsmanship does not want a hollow victory, which comes as a result of cheating (“dirty” fouls, ineligible players, performance enhancing drugs, etc.)
6. **I follow the directions of the coach.** A player with good sportsmanship listens to and follows the directions of the coach, realizing that each player’s decisions affect the rest of the team. If a player has disagreements with the coach, the player discusses the disagreements privately in a civil manner, away from the public eye.
7. **I respect the other team’s effort.** Whether the other team plays better or whether they play worse, the player with good sportsmanship does not use the occasion to put the other team down. In the field of competition respect for opponents is central to good sportsmanship. If an opponent out-performs a player, that player accepts it, learns from it, offers no excuses and moves on. If a player out-performs an opponent, that player enjoys the victory, but does not gloat, does not belittle, and does not minimize the opponent’s effort.
8. **I offer encouragement to teammates.** A sign of good sportsmanship is a player who praises teammates when they do well and who comforts and encourages them when they make mistakes. Criticizing teammates in the heat of battle simply distracts from the focus of working together and gives the advantage to the opponent who develops a sense of confidence when seeing signs of weakness or a lack of unity in the midst of the competition.
9. **I accept the judgment calls of the game officials.** Part of the human condition is making mistakes. Arguing with an official over a judgment call simply wastes energy. The player with good sportsmanship knows that errors may be made, but the player also knows that a game is made up of all the plays and calls from the beginning to the end of the game, not just the call in dispute. The player with good sportsmanship may be upset, but that player also has learned to focus his/her energies back on the game and on doing the best he/she can do for the rest of the game.
10. **I end the game smoothly.** When the game is over, pouting, threatening, cajoling has no place in the life of the players with good sportsmanship, who emphasize the joy of participating, regardless of outcome. They’re not devoid of emotions but they know that their efforts to end the competition smoothly, without antagonistic emotional display, will help ensure that the games will continue in the future.

***“You influence the future of our youth by your actions and examples. Football may not be their future, but what they learn from this sport may greatly affect and improve their future.” – Bob Barna***

# WEIGH-IN PROCEDURES

The purpose of weigh-ins is to insure the safety of all players. One (1) hour prior to game time weigh-ins should begin. The following is a guideline to help maintain uniformity for all weigh-in procedures.

1. Welcome both teams to the field approximately 10-min before official weigh-in. Indicate location of weigh in area.
2. Have teams line up in roster order. 2-C.G.D.P.C.A. from Host Chapter (or more if desired), and 2-authorized persons from the home / visitor team NOT IN A COACHING CAPACITY (Team Rep & Equipment person) will be allowed in weigh in area.
3. Ask the team representative for the contract book, ask for a copy of the certified game day roster. (Do not accept the color copy ask for black and white copy). **At this time check player's pictures for red stamp on each page, check each contract against roster, make sure the communicable disease sheet, hospital certificate and insurance certificate are in book.** If both teams are ready at the time weigh-in begins (60-minutes prior to game time), the weigh-in will begin with the visiting team first. However, if one team is not present at the weigh-in when its scheduled to begin, the weigh-in will proceed with the team that is ready first. It is the responsibility of each team to identify the weigh-in location and have their team present and ready at the scheduled time.
4. Check equipment starting with visiting team first. Also check both team's equipment before going to scale. **Be thorough but quick.** Mouthpieces must be attached to the helmet and they must fit across all top teeth. Check helmets for any cracks in the shell. Make sure face mask is secure and all pads and inserts are in place. All helmets are required to have a warning sticker visible. Shoulder pads should be checked for any loose straps, popped out rivets, cracks or breaks. Have players hit knee pads, thigh pads, hip pads and tail pads to make sure they have them on. Make sure all optional equipment is legal and you must check the equipment. Have players show you the athletic supporter strap and back of shoe for cleats. (No metal or screw on cleats). Any player without an athletic supporter (except for female player) may not cross the scale until they have one on. Hard plastic cleats must be checked for sharp edges & smoothed down before weigh-in.
5. Get two (2) rosters for each team. One roster is a courtesy roster to be exchanged between the teams and will not show designation for "must-play". For the purpose of "weigh-in" you must use the "official" roster—that which will have the designated must-play on it. The Weigh-in Official will then indicate any ineligible players on this roster. After all is complete and players have been lined out (i.e., NS, OW, INJ, DISP), the roster is then handed back to the team official so the Head Coach can sign and designate the must play prior to start of game. All Must-Play sheets must be returned to the weigh-in area prior to game. If a player does not make weight, he/she will not be allowed to re-weigh nor may he/she play in the game whether or not the other team cares. **THESE ARE NO EXCEPTIONS.** Do not make the child turn his/her jersey on the wrong side. Any player arriving after official weigh-ins cannot participate in first half. At half time, late players CAN be weighed-in. This is determined by the Head Coach. Players arriving after start of 2nd half are not eligible for the game.
